

New Zealand International Student Services Jobs & Visas Advice

Only 19% international students in New Zealand succeed in finding a job and gaining residency*. To win in such a challenging environment, you need honest and professional advice. Team AJV consists of top class employment and licensed immigration advisers who can help you succeed in finding jobs and applying for the correct visa. Our advice will help you focus in the right places with the right tools and preparation. For more details connect with us on Facebook or email advice@ajv.kiwi
