Summary

I'm a result-focused management professional offering more than 6.8 years of progressive experience.

- 5 years of experience in Kitchen (Culinary) operations as a Chef (Commis 1 to DCDP-continental section). Worked as a Chef and handled kitchen operations from preparing dish as per orders including indenting, costing and dish profiling etc.

- Project and Operations Management Experience in Back Office Operations, Administration and Customer Service sector with 3 years' experience in Operations, and managed successful transitions of multiple clients' work and worked on technology tools.

A diverse working background and knowledge of Operations and other sectors makes me the best suitable candidate for the profile of a CHEF (DCDP) in F&B production
