PERSONAL STATEMENT

I did my Graduate Diploma in Sports and Exercise from SIT and continue to play professional cricket in New Zealand.

I am hardworking, organised, with effective communication skills and a can do/make it happen attitude. I am a confident team worker, who thrives when working under pressure. However, I can happily take direction and provide it.

Quick to learn and grasp opportunities as they present themselves, I trust in my abilities and knowledge to achieve the desired results. I am confident that I can fit in anywhere and have a lot to offer any employer.
