Dear Hiring Manager,

Greetings!

I am writing this letter to express my interest to serve in your esteemed organization, with excellent track record of Over **18+** years in IT industry, including **10** years as SAP Technical consultant with primary skills on **ABAP**, XI, HR ABAP, **SAP HANA**, **BODS** and recently managed Greenfield HANA development project in Denmark as Technical Project Manager/Senior Technical Architect and over 8+ years as a Project Manager. Now I am seeking a suitable position with the potential of handling and delivering excellent results, I am confident and believe that I am suitable for the job. Also a certified Scrum Master and Managed projects as Scrum Master.

Currently I am associated with Deloitte USI (Office of US in India), Hyderabad as Manager consulting where I am responsible to analyze and understand the business needs; based on analysis, I am strategically planning to take appropriate business decisions as per the requirement and delivering solutions using HANA modelling.

I have authorized job seeker visa for Germany.

Kindly consider few of my **experience** and **expertise** from my resume:

- Expertise in performance tuning & analysis using **ABAP/4** runtime analysis tools and SQL trace for query optimization to improve overall performance of several program
- Managed a team of 18 technical team members of Danish, Poland and Indian developers in Copenhagen at client place as scrum Master for HANA Greenfield implementation project.
- Developed many programs as techno functional consultant covering almost all functional areas viz Logistics, Finance, HCM.
- Worked with many business verticals like Utilities, Natural resources, Health care etc. in Accenture, CGI and Tech Mahindra
- Experienced in dealing with and managing third-party consultants in a project implementation

I possess excellent communication skills and can liaise effectively with both clients and work colleagues. Therefore in view of all of the above I would be highly gratified if you consider me for this position.

To know my proficiency in technical skills I request you to schedule an Interview either through Skype or Telephone.

I appreciate your time and consideration.

Sincerely,

A Narender Singh
